What Adrastia Is

Our mission

Adrastia™ protects people and organizations by proving what happened, so every victim has a real path to justice, restitution, and closure.

What we stand for: Evidence first · Speed saves money · Within the law, always · No one is above review · Victims are never left in the dark · Stronger together

Purpose

Adrastia proves what happened when something goes wrong. It seals evidence the moment it is captured, keeps a chain of custody anyone can check, and turns it into records police, insurers and courts can use. It also helps stop fraud and scams before money moves, traces fraud back to its source, keeps agreements honest, and keeps a business running through an outage.

Consumers	Businesses	Their clients
Families, scam victims, tenants, workers and policyholders. • Check a call, text, email or picture for scam signs (Scam Check). • Start a sealed Victim's Clock after a fraud and track every report made. • Keep sealed agreements with a contractor, landlord or co-parent (Oathcrest). • Record where personal data shows up online and every opt-out sent. • Hold their own sealed copy of a workplace report, move-in record or insurance claim.	*Investigators, attorneys, insurers, small firms, nonprofits, churches and agencies.* • Seal field and desk evidence and produce court-ready reports (HQ). • Spot risky payments, scams, intruders and outages, and act on them (Aegis). • Trace a fraud back to its front door and hand a sealed package to police, a bank or a court. • Call payees back before money moves (Antiphon); keep sealed workplace, rental and claim records. • Keep the business supervised when the owner is out (Continuity Vault).	*The people a business serves: clients, attorneys, adjusters, tenants, workers, payees.* • Free Viewer seats to read a case, its evidence and its custody log. • Check any sealed package or record themselves, free, without an account. • Get receipts: complaint receipts, payee callback receipts, their own party copy. • Join Oathcrest agreements free and confirm or dispute each point. • See where their matter stands without being left in the dark.

What it is designed to do

- Capture and seal evidence the moment it is collected.
- Keep a chain of custody that checks itself.
- Protect people and businesses from fraud and scams before money moves.
- Trace fraud lawfully to its source and hand police, insurers and courts a package they can check.
- Keep agreements honest with one sealed record every side sees.
- Keep the business running and supervised through outages and absences.

A seal proves a record has not changed since it was added. It does not prove what happened before it was added. Adrastia's methods are patent-pending.

Adrastia ACES

A guide to Adrastia ACES. Status: LIVE as of November 13, 2026.

What it is

ACES (Adrastia Certified Evidence Specialist) is a certification from Adrastia LLC for licensed private investigators. Certified investigators review and certify HQ court-ready reports using a 29-item checklist. It is not a state license.

Who it's for

- Licensed private investigators with at least 2 years of investigative work and court testimony experience
- HQ customers who want an independent review of a report
- Attorneys who want a certified reviewer on a case

The problem it solves

An attorney has a sealed HQ report but wants an experienced investigator to confirm it was done right before trial. An ACES investigator joins the case as a free Viewer, works the checklist, and signs off. The sign-off is sealed in the custody log.

How it works

1. Apply for a founding spot (Founding 30, screened on merit).
2. If selected, sign in and study the ACES guide.
3. Pass the 40-question exam (32 correct).
4. Your credential ID is added to HQ automatically; order the credential card.
5. When engaged, review the case in HQ > Review and sign off.

Getting started

- Go to adrastiaaces.com > Apply for a founding spot.
- After you press Send, click Create my account with the same email.
- Help: Help link on adrastiaaces.com (ACES user manual).

How it connects to the rest of Adrastia

ACES reviews happen inside HQ on the Review tab, and the credential prints as verified on reports the investigator certifies.

Adrastia ACES: every component

ACES (Adrastia Certified Evidence Specialist) is a certification for licensed private investigators who review and certify HQ court-ready reports. Five steps: apply, study, pass the test, get the card, review reports in HQ. It is not a state license and does not make evidence admissible. Status: LIVE.

Quick answers

Question	Answer
Is ACES a state license?	No. It is a private credential and does not make evidence admissible; a court decides that.
Who pays for a review?	Whoever engages the investigator pays them directly.
How long is it valid?	3 years. It renews for 3 more with an active PI license and 5 or more personally verified reports.
Does Adrastia hire certified investigators?	No. ACES is not employment and does not guarantee work.
