ADRASTIA

Overview · November 13, 2026 · By Kevin E. Kubitskey

Our mission

Adrastia™ protects people and organizations by proving what happened, so every victim has a real path to justice, restitution, and closure.

WHAT WE STAND FOR

Evidence first · **Speed saves money** · **Within the law, always** · **No one is above review** · **Victims are never left in the dark** · **Stronger together**

Purpose

Adrastia proves what happened when something goes wrong. It seals evidence the moment it is captured, keeps a chain of custody anyone can check, and turns it into records police, insurers and courts can use. It also helps stop fraud and scams before money moves, traces fraud back to its source, keeps agreements honest, and keeps a business running through an outage.

Consumers

Families, scam victims, tenants, workers and policyholders.

- Check a call, text, email or picture for scam signs (**Scam Check**).
- Start a sealed Victim's Clock after a fraud.
- Keep sealed agreements with a contractor, landlord or co-parent (**Oathcrest**).
- Hold their own sealed workplace report, move-in record or claim.

Businesses

Investigators, attorneys, insurers, small firms, nonprofits, churches and agencies.

- Seal field and desk evidence; produce court-ready reports (**HQ**).
- Spot risky payments, scams, intruders and outages (**Aegis**).
- Trace a fraud to its front door; hand police, a bank or a court a sealed package.
- Call payees back before money moves (**Antiphon**).

Their clients

Clients, attorneys, adjusters, tenants, workers and payees.

- Free Viewer seats to read a case, its evidence and its custody log.
- Check any sealed record free, without an account.
- Join Oathcrest agreements free; confirm or dispute each point.
- See where their matter stands.

A seal proves a record has not changed since it was added. It does not prove what happened before it was added.
